

HONDA

The Power of Dreams

Go!Anywhere.

**XL
125L**

- Outstanding power and long distance travel
- Excellent value for money
- Modern, stylish design

Tough and reliable Off-road worker!

With strong torque throughout the rpm range, the 4-stroke 125cc engine offers quick starts, powerful acceleration and outstanding fuel economy.

Blaze your trail with light and tough wire-spoke 21 inch large wheel and block pattern tyres. It provides excellent handling even rough road.

The standard equipped rear carrier is helpful to transport various items for delivery with ease.

The modern cowl is the key to the sharp look. The bright halogen headlight helps safe riding at night.

The simple speedometer, trip meter and indicators ensure excellent visibility.

The advanced Pro-link rear suspension lets you ride in superb comfort.

The comfortable seat reduces rider fatigue in travel for hours and its configuration allows ease of reach to the ground.
