**THE NEW XL 125 LEK**  
**OFF-ROAD CONQUEROR**  
NOW WITH ELECTRIC START

**XL 125L**

**Tank**  
12 litre tank coupled with a very economical engine means less stops and longer distances.

**Rear Carrier**  
The rugged rear carrier offers a strong and sturdy carry option that can handle various top boxes.

**Engine**  
4 Stroke Air-cooled single cylinder engine is both powerful and economical.

**21 Inch Front Wheel**  
The 21Inch front wheel with suspension boots to protect the forks is linked to long travel suspension that is perfect for off-road conditions.

**Electric Start**  
The all new Electric Start combined with Kick Start offers versatility and convenience.

**Instrument Cluster**  
The instrument cluster offers easy to use controls legible from a comfortable riding position.

**Headlamp**  
The new headlamp design gives a fresh look where the sizeable halogen headlight helps the driver see even better in dark conditions.

**Drum Brakes**  
The XL boasts drum brakes in the front and the rear for durability in demanding off road conditions and reduced maintenance.
